Dear Steve:

Thanks for helping me secure a new mortgage for my home. I recently made my first payment. It felt good to write a check for several hundred dollars less than my previous mortgage, as well as know that my home equity loan is paid off. Everyone at The Mortgage Company was wonderful to work with. As you may remember, I was hospitalized after locking in my rate. Your phone calls and emails enabled me to complete the process before our final meeting. I appreciate your efforts to find the best rates and mortgage to suit my needs.

Cordially,

Cathy Eck
