Dear Steve,

My experience with The Mortgage Company has been second to none. I have refinanced with The Mortgage Company twice. I dragged my feet the second time, but you were patient in letting me contact you when I was ready.

I really appreciate your professional approach, and willingness to spend time answering my questions. Because of the friendliness of you, Denise, and everyone at The Mortgage Company, I truly feel part of your "family."

I will continue to recommend your company to my friends. If they don't call you, it is their loss. You are also to be commended on your easy to navigate website.

I wish you continued success, and hope we'll meet again.

With warmest wishes,

Jill Swayer

PS The birthday card you sent recently was a nice surprise too. Thank you!
