Dear Steve,

Having recently completed our second mortgage refinancing with The Mortgage Company, we wanted to thank you again for such a stress-free experience! The process was not at all complicated, all of our questions were answered and all of the forms were thoroughly explained. Our loan was approved in a short period of time and settlement followed a few weeks later. All in all, you and the gentleman from the title company were friendly and very helpful and the experience was enjoyable.

We would definitely recommend The Mortgage Company to any of our family and friends. Our daughter and son-in-law are hoping to purchase their first home next year. We have suggested that they contact The Mortgage Company when the time comes for this very important step, knowing from personal experience how honest and supportive you are in the entire mortgage process.

Thanks, again, for making the entire process stress free!

Sincerely,
