Dear Steve and The Mortgage Company,

Thank you for making it possible to purchase our home at 3209 Capital St.

We were looking for a home but we didn't have a lot of money to work with. We did own our home on Cherokee St. That is when your name was given to us from a relative. Long story short, we talked, you came up with several possibilities that we were able to buy on Capital St without selling Cherokee St. We put Cherokee St on the market and sold within 3 weeks. I also want to thank you Steve for doing all the paper work and bringing them to our house to sign and for answering our calls even after working hours.

Thank you
Glen and Judy Maria Schmidt
