Dear Steve,

We wanted to take this opportunity to thank you for all your hard work and making our first home purchase run smoothly. As first time home buyers, you really helped us gain an understanding of what all goes into purchasing a home. We also didn't make things easy by losing papers, and by asking for a fast turnaround, but you and your staff made it possible. We will recommend to all of our friends and family in the housing market to use The Mortgage Group, and plan in the future to use your services in any other home purchases. Once again, Thank you for all you have done!

Sincerely yours,

Ben Behler and Kristin Brown
